Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Wednesday 26 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny for most, showers later.

Today:
A cloudy but dry start with sunny spells developing during the morning. Risk of showers during the afternoon, mainly across the west of the region. Feeling warm. Maximum temperature 17 deg C (63 deg F).

Tonight:
Cloud clearing to leave clear, dry night across the area, some isolated mist and fog patches forming in rural locations towards dawn. Minimum temperature 4 deg C (39 deg F).

Thursday:
A bright and sunny day with light winds. Staying dry and starting to feel warmer as temperatures rise towards the weekend. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:
Weather continuing to improve through the outlook period, with dry, bright and sunny days. Cloudy along southeast coastlines and this extending inland each evening with some misty conditions around dawn.
